

MAINSTREET MERCHANTS

FOR A BETTER NORTH CAROLINA

Mainstreet Merchants for a Better North Carolina (MMBNC) is a political organization under Section 527 of the Internal Revenue Code organized to promote and educate the public as to the importance of the retail industry in North Carolina. MMBNC was formed legally in December 2011 by preeminent elections-law expert Steve Long of Parker Poe Adams and Bernstein.

Pursuant to its Bylaws, MMBNC is required to utilize only positive messaging on behalf of candidates.

The Board of Directors, who are comprised of all attorneys with an even split between Republicans and Democrats located in both Eastern and Western North Carolina, agree to become involved in a political race only when there is unanimous consent. Additionally, the Board, all staff, and any consultant who perform work for MMBNC operate under a strict firewall agreement preventing coordination with other candidates, party officials or candidate committees.
